

THE BOOK SHELF

All books here mentioned can be found in the County Library.

"Errors, like
straws upon the
surface flow; He
who would seek
pearls must dive
below."

In response to requests for modern drama, the County Library has acquired a number of new volumes of plays and books about plays, some of which may be produced in amateur theatricals. The one-act play is represented by the following collection:

Mayorga—Representative one-act plays by American authors.

A collection of twenty-four of the most significant one-act plays produced by the little theaters in this country. A number of them have not been published and some are out of print. Each play is preceded by a brief biographical note for the author, and information as to original casts and productions of the play.

An interesting book on the production of plays is:

Belasco—The theater through its stage door.

Dr. Belasco has epitomized his theories, views and practices and has revealed many interesting stories concerning the training of certain stars who are now universally famous.

QUICK! YOUR HAIR NEEDS "DANDERINE"

Check ugly dandruff! Stop hair coming out and double its beauty.

A little "Danderine" cools, cleanses and makes the feverish, itchy scalp soft and pliable; then this stimulating tonic penetrates to the famished hair roots, revitalizing and invigorating every hair in the head, thus stopping the hair falling out, or getting thin, dry or fading.

After a few applications of "Danderine" you seldom find a fallen hair or a particle of dandruff besides every hair shows new life, vigor, brightness, more color and thickness.

A few cents buys a bottle of delightful "Danderine" at any drug or toilet counter.

DRINK HOT WATER BEFORE BREAKFAST

Says you really feel clean, sweet and fresh inside, and are seldom ill.

If you are accustomed to wake up with coated tongue, foul breath or a dull headache; or if your meals sour and ferment, you have a real surprise awaiting you.

To-morrow morning, immediately upon arising, drink a glass of hot water with a teaspoonful of limestone phosphate in it. This is intended to first neutralize and then wash out of your stomach, liver, kidneys and thirty feet of intestine all the indigestible waste, poisons, sour bile and toxins, thus cleansing, sweetening and purifying the entire alimentary canal.

Those subject to headaches, backaches, bilious attacks, constipation or stomach trouble, are urged to get a quarter pound of limestone phosphate from the drug store and begin enjoying this morning inside bath.

Just as hot water and soap cleanse, purify and freshen the skin, so hot water and a teaspoonful of limestone phosphate act on the stomach, liver, kidneys and bowels. Limestone phosphate is a beautiful white powder and almost tasteless.

Keep The System Clean And You'll Be Healthy

Elimination helps to avoid colds, headaches and epidemics

ANYONE who has watched himself know there is nothing so important to health and comfort as regular daily elimination. Half of the minor illnesses of life are due to neglect of this. The five million men who were in our army know the importance the doctor attached to this function.

By all means try to regulate yourself by intelligent diet and exercise, but when these fail you will need a laxative, one as near to nature in its action as skill can make it. In the opinion of many thousands of good Americans such a one is Dr. Caldwell's Syrup Pepsin, which is a combination of simple laxative herbs with pepsin. It acts promptly, gently and without griping and will with certainty regulate any tendency to constipation that you may have.

Take it when you feel drowsy, dizzy or bilious, when you feel a cold or a fever coming on, when there is an epidemic, when you have eaten anything about which you are in doubt. It is at such times that you need to be free of poisons and of fermenting foods. You can buy Dr. Caldwell's Syrup Pepsin at any drug store. Thousands of families have it constantly in the house against emergencies.

In spite of the fact that Dr. Caldwell's Syrup Pepsin is the largest selling liquid laxative in the world, there being over 6 million bottles sold each year, many who need its benefits have not yet read it. If you have not, send your name and address for a free trial bottle to Dr. W. B. Caldwell, 511 Washington St., Monticello, Illinois.

FUNDS INCLUDED FOR N. Y.-PACIFIC MAIL

WASHINGTON, Feb. 23.—One million, four hundred and fifteen thousand dollars for the establishment of a New York-San Francisco air mail route is included in the post office appropriation bill as reported by the senate postoffice committee today. The house, in passing the bill, eliminated all appropriations for air mail.

FOREIGNERS MUST BE ABLE TO READ PSALMS READILY

Forty Verses on Forty Cards Used at Ellis Island for Examination of Men Coming Into America.

NEW YORK, Feb. 24.—Uncle Sam will soon be conducting great classes in reading the psalms almost at the feet of the Statue of Liberty. The pre-war practice of examining all steerage immigrants at Ellis Island instead of on shipboard, has been restored.

More than 1500 men and women will read from the Psalms there daily, and Miss Liberty, who stands a stone's throw from the island slip, could hear if she were incarnate.

Reading from the Psalms is the literacy test for admission to this country, which went into effect in May, 1915, and is now receiving its first real trial because immigration during the war was small. The law provides that an immigrant with a few exceptions must be able to read from 30 to 40 words in any language he or she desires. The department of labor devised the Psalm test as the fairest for all.

Immigration inspectors are equipped with cards in all languages with verses from the Psalms printed on them. All types of script are represented, German, Arabic, Hebrew, Japanese, Russian and so on, except Chinese, for that nationality is not permitted to immigrate. Best any alien learn parrot-like the verse of the Psalm that a friend in this country had to read, the inspectors have at least 40 different verses in each language, one verse to a card.
